Quality Inspector Certificate

This certificate is awarded to

[redacted]

For successfully passing the PC Components Quality Inspector Exam
on this day of
June 20, 2008

The passing of this exam demonstrates Georgy has proven his knowledge over a wide range of electronic components. He consistently shows tremendous quality and has the ability to identify any imperfections during inspection with less than 2% error. PCC considers him an inventory quality leader within our company.

Brett A Bjorn — Quality Control Supervisor — 8/7/08 — Date

James C Bygnett Jr — Director of Operations — 05/07/08 — Date
